The Hotel must receive the final written program by Monday, August 24, 2020. After the Hotel has assigned space to the Group, the Hotel shall not reassign any function space committed to the Group without the Group's prior written consent. Function space will continue to be held for the Group until meeting specifications are received from the Group by the Hotel marked final, which indicates that any space committed will not be utilized. At such time, any such space not to be utilized may be released.

Meeting Room

After this Agreement is returned to and signed by the Hotel, your file will be turned over to the Hotel's Conference Services department. All changes and additions that substantively affect the conditions of this Agreement should be referred to the original Sales Manager. All other matters may be referred to the Hotel's Conference Services Staff.

Please check with Conference Services before printing room names. Should any of your functions require additional space or set-up/tear-down time to accommodate extensive audio visual equipment, a large head table or for displays, please inform us prior to signing this Agreement if not already detailed in the meeting space schedule.

Current function and banquet taxes and fees are as follows:

Food Charges & Non-Alcoholic Beverages	13% (HST) Harmonized Sales Tax
Alcoholic Beverages	13% (HST) Harmonized Sales Tax
Room Rental	13% (HST) Harmonized Sales Tax
Food & Beverage Service Charge*	16% Service Charge and 2% administration fee

* Subject to change without notice

Please note that all food and beverage needs in meeting rooms will be handled by our Conference Services Manager prior to your event. All prices for food and beverage will be confirmed by six months prior to the event date based upon receipt of the final Program of Events. Program details (i.e. menu and audio visual selections, etc.) must be received at least 30 days prior to your first event.

All Food and Beverage arrangements must be made through the Hotel. Licensing restrictions require that only Hotel-purchased food and beverage can be served on Hotel property. It is expressly forbidden that any foods be prepared or cooked in any guest room or hospitality suite at any time. The Hotel must approve in writing, at all times, any externally catered functions planned to be held on its premises, and reserves the right to withhold approval. The Hotel will require that beverages be dispensed only by the Hotel servers and bartenders when alcoholic beverages are to be served on the Hotel premises (or elsewhere under the Hotel's alcoholic beverage license). In accordance with the provincial law, it is the Hotel's policy to request proper identification (photo i.d.) of any person of questionable age and the Hotel reserves the right to cease service of alcoholic beverages in the event that persons under the provincial mandated age limit are present at a function and attempt to receive service of alcoholic beverages. Additionally, Hotel reserves the right to refuse alcoholic beverage service to any person who, in the Hotel's sole judgment, appears intoxicated.

Confirmation of the guaranteed number of attendees to be served on all meal functions must be received no later than 72 business hours prior to the function. Any increase in guarantees will be accepted up to 24 hours prior to the function. The Hotel will bill for the guaranteed or actual number of attendees, whichever is greater, plus any applicable attrition charges and miscellaneous charges (i.e., room rental, labor fees, ice carvings, corkage, etc.).

Please assign a designated group representative to your event. This group representative will be required on-site to approve all Banquet related charges at the conclusion of the program at the end of each day. A Hotel representative will present a banquet check to the on-site contact reflecting all related charges from the event for each day of the program, including but not limited to, guaranteeing food and beverage numbers, consumption of food and beverage, and/or changes and modifications to the program not reflected on the banquet event order. Please refer to your Catering or Conference Services Manager if you have any questions.

National Bureau of Economic Research agrees to pay a labor charge of \$150.00 per dinner meal service, which will be applied for group meal functions with an attendance of less than 20.

Changes to Room Set/Diagram:

Your Conference Services Manager will prepare a Banquet Event Order (BEO) and Diagram (if needed) for your program, based on the agenda in the Agreement. Upon review and signature of the BEO and Diagram (if needed), the set up requirements will be considered final. Any significant changes to the set up requirements may be assessed a change fee of \$250.00 - \$1,000.00. This set up fee is not a penalty, but a fee to cover the costs of labor and materials involved to implement the change.

Food and Beverage Minimum:

This provision applies to food and beverage functions only. Reductions in the Group's room block commitment are addressed in the provision entitled Room Block Performance.

The Schedule of Events details all of the events currently scheduled, including those where Food and Beverage is planned to be served. Average checks have been used to calculate anticipated Food and Beverage revenues, excluding tax and gratuities, for your group. Based upon this summary, we anticipate revenues of \$26,000.00 net. (F&B minimum requirement)- includes a **\$20,000 minimum spend in Banquets and a \$6,000.00 minimum spend in Signatures Restaurant for exclusive use for Dinner.**

Should your revenues appear to be dropping below the minimum revenues listed above; the Hotel will advise you of additional alternatives in food and beverage that will allow you to meet your minimum food and beverage requirements. At the conclusion of your meeting, we will subtract the banquet food and beverage revenue derived from your meeting, from the Minimum Banquet Food and Beverage revenue figure set forth above. Any remaining amount will be posted to your master account, plus applicable services charges and taxes.

Liquidated damages due to the Hotel as a result of cancellation or reduction of the function or functions shall be charged to the Group's Master Account, if one has been established. Otherwise, the Group shall pay liquidated damages due to the Hotel as a result of such cancellation or reduction of the function or functions at the time of such cancellation or reduction.

Transference: Functional space and applicable rentals contracted herein are for the use of the Group. Should meeting space outlined be transferred to another organization, please note that all changes remain the responsibility of the Group unless agreed in advance in writing by the Hotel to assign responsibility to a 3rd party. The 3rd party must agree to all contracted terms and conditions including credit policies.

CHECK-IN/CHECK-OUT TIMES:

Check-in time is 3:00 p.m. Every effort is made to accommodate guests arriving before the check-in time, however, rooms may not be immediately available. Check-out time is 12:00 noon. Requests to retain rooms beyond that hour should be directed to the Front Desk once the delegate is registered. Should it be possible to extend a late check-out, a late departure charge may be applicable.

ROOM DELIVERY: A charge of \$2.75 will apply per delivery, per room if service is required.

CONFERENCE SERVICES AND CATERING DEPARTMENT:

Upon confirmation of your program, a Conference Services and Catering representative will be assigned to arrange all details pertaining to your Group's program. The representative will be available to assist you in organizing a successful event.

SHIPPING OF CONFERENCE MATERIALS:

- All Shipments:** Conference materials must be addressed to the Banquet Manager and each box must be clearly labeled to identify the conference and/or function name, date of event, and the number of boxes in the shipment (i.e. 1 of 3).
- Labour Charges:** A \$5.00 per box handling fee will apply for all boxes moved from our loading dock to the Conference room up to 15 boxes. A labour charge of \$40.00 per hour will apply to larger shipments. Please note that each company must provide its own labour to move any and all boxes 60 lbs or heavier. The Hotel is not responsible for assembling any displays or exhibits.
- Storage:** Due to the Hotel's limited storage capability, it must restrict complimentary storage to a maximum of 5 - 2'6" x 2'6" boxes for the function, and to no more than two business days prior to the function and no more than two business days following the last day. Any boxes above and beyond this may be subject to a rental fee for a function room to be used as a storage room.

INTERNATIONAL SHIPMENTS:

The services of a customs brokerage firm are strongly recommended for any cross-border shipments. A customs broker can easily eliminate such problems as materials withheld by Canada Customs & Immigration at the border because of improper documentation. If the Hotel is called upon to help clear a shipment through Customs on a client's behalf, a 15% surcharge will apply. Client or Group organizer is responsible for all brokerage fees, custom duties if applicable and any other related expenses.

PROMOTIONAL MATERIALS:

The Hotel does not permit anything to be nailed, posted or otherwise attached to the walls. Only preauthorized signage and promotional material will be allowed in any lobby areas. Communication of the above requirements to the conference delegates and/or exhibitors is the responsibility of the Program Organizer.

SECURITY:

Your organization acknowledges that the Hotel cannot be held responsible for the safe keeping of equipment, supplies, written material or other valuable items left in the function rooms or storage facilities. Accordingly, your group acknowledges that it will be responsible to provide security of any such aforementioned items and hereby assumes the responsibility for loss thereof.

AUDIO VISUAL:

Audio visual services are not included in meeting/function room(s); additional cost applies based on the audio visual required. Presentation Services is our in-house audio visual provider. If an alternate audio visual company is preferred, an outside vendor fee of \$500.00 per day may be applicable. Our Conference Services and Catering Department will assist you with your audio visual requirements.

Authorization for the use of copyright music at an event requires a Performing Rights License. The Hotel will make arrangement for this license on the Client's behalf. Fees for this license are dependant on attendance of event ranging from \$22.06 - \$187.55 including HST.

Re:Sound is the non-profit performance rights organization in Canada that collects and administers Neighbouring Rights royalties on behalf of recording artists, including featured artists and session musicians and record labels in Canada. Re:Sound licenses recorded music to businesses across many industries, including radio stations, satellite radio, digital music services, nightclubs, bars, restaurants, retail establishments and others. The royalties that are collected from licence fees are distributed to the recording artists and record labels that create the music that is used by these businesses. The Hotel will make arrangement for this license on the Client's behalf. Fees for this license are dependent on attendance of event ranging from \$9.25 - \$78.66 including HST. The above prices are subject to change. The appropriate fee will be charged and added to the Master Account.
